**Expertly Engineered
Cybersecurity Solutions.**

BUILT BY HACKERS, DRIVEN BY PASSION

Heretek's decade of expertise is rooted in the Public, Fintech, Gaming, and Defence sectors. Driven by curiosity and technical excellence, we aim to make security an enabler, not an obstacle.

Our **Purple Cybersecurity philosophy** blends Red Team offence with Blue Team defence – delivering dynamic, adaptable protection. We bring a hacker's mindset to every engagement, working hands-on with clients to provide tailored, actionable advice.

Whether you're securing infrastructure or pushing the limits of AI, we speak your language and help you do it right.

Secure Today, Prepared For Tomorrow

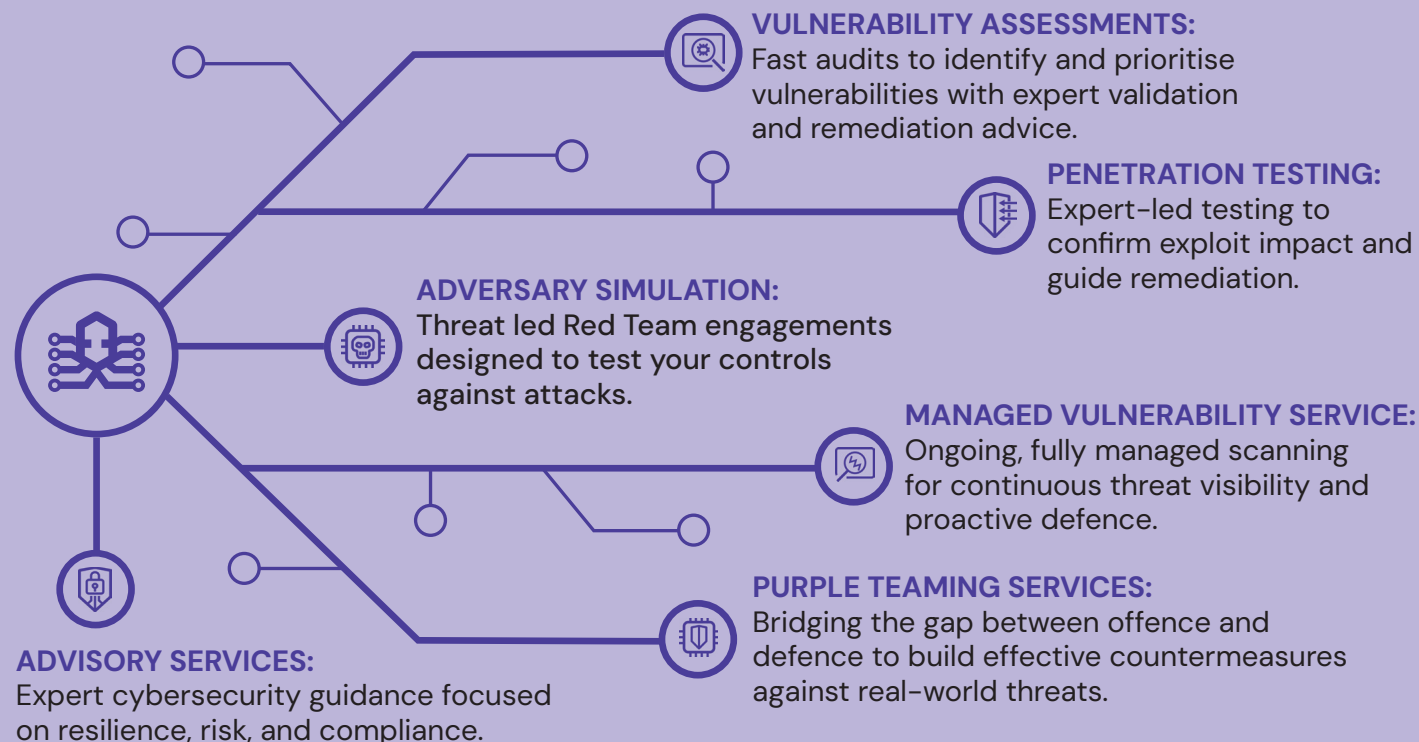

At Heretek, we understand that cybersecurity solutions aren't a one-size-fits-all. Our suite of services is designed to meet the diverse needs of all our customers.

✓ Free re-test within 30 days

✓ Free* access to our dynamic reporting management platform

✓ CREST certified testers

* (Enterprise licenses available)

PTAAS (PENETRATION TESTING AS A SERVICE)

Subscription PTaaS Bundles For Great Discounts

Unlock greater value with a PTaaS package: optimise your budget, meet essential testing requirements, and invest in additional recommended testing for maximum confidence and risk mitigation. Speak to our team for pricing.

PTaaS Core: Pre-paid Penetration Test days.

Get up to 30% off our day rate and receive priority booking.

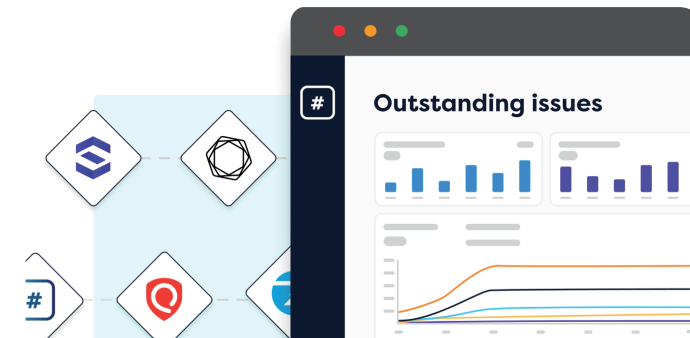

PTaaS Continuous: Pre-paid Penetration Test days with MVS.

All the perks of Core bundled with a Managed Vulnerability Service (MVS) for expert end-to-end coverage of your cyber estate.

PTaaS Unlimited: Yes, unlimited testing!

For a great single price, mix and match as many of these services throughout the year without worrying about additional costs and budget approvals.

- Vulnerability Assessments
- Penetration Tests
